

Midterm Review Schedule

During the week of January 11-15...we appreciate all of those teachers who schedule midterm exam review sessions. Students and parents have always expressed how helpful they believe these sessions are in preparing our students for their exams. Please schedule your review sessions based on the designated schedule listed below so that we do not have scheduling conflicts. Review sessions will begin at 2:15pm.

- ✓ Jan. 11 -- Social Studies
- ✓ Jan. 12 -- Science
- ✓ Jan. 13 -- World Languages
- ✓ Jan. 14 -- Math
- ✓ Jan. 15 -- English

Coaches, Directors, and Sponsors -- Students who attend review sessions will be excused from practices/meetings during the review periods. Students should bring a pass when they report to practice. You may want to schedule practice to start at 3:15 on those days.
