

## SMILE FOR THE CAMERA!

The HCPSS TV Services Department will use their new video production trailer this year at our graduations to:

- Display the ceremonies on the large screens,
- Webcast each ceremony through the internet a short time after it is over,
- Broadcast the graduations on cable channels at scheduled times, and
- Produce DVDs of the ceremonies for purchase.

Please share the following with parents.

- The webcast is available through [www.hcpss.org](http://www.hcpss.org) by clicking on the HCPSS-TV link. The webcast **cannot** be downloaded and taped.
- Program schedules for Comcast Channel 95 and Verizon Channel 42 will provide the dates and times for graduation viewing.
- Videos can be ordered by mailing the form below and \$20 per DVD to Ronnie Bohn.
