

Sophomore Class Ring Celebration  
June 11, 2009  
6:15pm

We would like to welcome all Marriotts Ridge students and families to come out for food, music and fun at the annual Sophomore Class Ring Celebration. We will begin the evening in the commons with a short ceremony which will include the history of the “ring turning” tradition. We will then distribute rings to all sophomores who placed orders this year. We will conclude the celebration with a short appetizer reception and sharing of the rings. We hope to see you in the commons!
